Attorney's Docket No.: 12732-024001 / US4798

REMARKS

Claims 17-42 are pending, with claims 17, 18 and 23-30 being independent. Claims 1-16 have been cancelled, claims 19-22, 25 and 26 have been amended, and claims 27-42 have been added.

Claim 25 has been rejected as being anticipated by Graff and claim 26 has been rejected as being anticipated by Suzuki. Applicant requests reconsideration and withdrawal of this rejection because neither Graff nor Suzuki describes or suggests using an inkjet method to form a light emitting layer and a film comprising an organic material.

Claims 17-24 have been rejected as being obvious over Graff or Suzuki in view of Morii. Applicant requests reconsideration and withdrawal of this rejection because Morii, which was filed after the filing date of the present application, does not qualify as prior art under 35 U.S.C. 102 or 103.
